

July

CDTV on the East Cowpen Trail

John Franetic scouted out this trail and warned us that the undergrowth was intense – he wasn't kidding.....Volunteers John Franetic, Wanda Brown, Robert Edmondson, Conrad Easley, Jon Larimer, Charles McCullough, Gail Tefft, Larry Thomas, Emmy Garcia and Adam White hit the trail on an uncharacteristically cool July morning. John, Jon, Conrad, and Charles took off and hiked all the way to Buckeye Mountain to work back toward the trailhead. The remainder of the group started at the trailhead and worked in. The undergrowth was tall and mean in several places!! However, the group was able to clear that entire segment of the trail so that folks can get into the wilderness for the remainder of the summer. Excellent work!

Many thanks to all our volunteers who worked hard to maintain a beautiful trail. We hope to see many of you on another workday in the near future.

Volunteers about to embark on the workday.

Nice job, everyone!!
